Response to Amendment

1. The amendment received 7/16/07 has been entered in full.

Response to Arguments

2. Applicant's arguments, see pages 17-20, filed 7/16/07, with respect to the claims have been fully considered and are persuasive. The rejection of the pending claims has been withdrawn.

Allowable Subject Matter

3. Claims 1-2, and 4-15 are allowed.
4. The following is an examiner's statement of reasons for allowance: None of the prior art of record discloses in combination with the other limitations of the claim
for each of at least some of the plurality prints in the search record, performing a search by comparing the print to the print in the file records having the same finger number and generating a corresponding sorted respondent list for the finger number comprising a portion of the plurality of file records, with each file record on the list being associated with a match score; determining a set of parameters comprising: the number of prints from the search record for which a search was performed and the corresponding finger numbers for those prints for which the search was performed, a size of the database, an average match score for each file record ID in the respondent lists, any file record IDs that appear on multiple respondent lists, any match scores on the respondent lists determined to be a non-matching score that is less than a match score threshold; determining a set of features based on the set of parameters. Thus claim 1 and its dependent claims are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
